

Santa Barbara County Genealogical Society Campaign April 2011

Catch the Excitement!

We, Mary Hall and I, keep extolling the excitement that awaits you when you visit the "Construction Blog" that Art Sylvester posts. The Blog is a running pictorial and narrative history of the construction of our wonderful new library from the very beginning of construction to the latest. He is doing a masterful job of keeping all of us informed about our progress. If you haven't checked it out yet it is REALLY REALLY easy. All you have to do is go to the Society's website (sbgen.org) and click on "Construction Blog" and sit back and enjoy. But I have to admit that to get a real feel for our wonderful new space I suggest taking a walk through the new construction and if you're really lucky Art or Jim Friestad will be there to give the tour. I promise it will give you goose bumps.

And if you do go for the tour I want to point out some of the things that are planned for the Entry/Foyer area. Directly in front of you will be a librarian's desk with one of our fabulous volunteers manning — or womaning — the desk. On the right will be a sales area with all of those tempting goodies that Kristin Ingalls continues to entice us with. And on the left we have planned for "Donors Wall of Honor" to express our appreciation to all donors who have contributed \$3000 or more to "Our Past - Our Future." In addition to the Donors Wall of Honor, the name of EVERY donor to the campaign will be entered into a Book of Campaign Donors which will be kept in the Entry/Foyer as well. Will your name be there? We certainly hope so, for after all the Genealogical Society is our Society

and the Sahyun is our Library. Please consider a pledge or gift to the Campaign, fill out the form below and send it in today. Like I've said before, "You'll be glad you did!" *Michol Colgan, Campaign Chair.*

We want to say Thank You to the following people for their generous donations to the Library Campaign for the month of March!

Chris Klukkert Arlene Doty Dixie Young
Edna Hollingsworth Robert & Bonnie Silvers

Members of the bookcase crew sand and stain the panels for our new bookcases.
