

The Campaign for Santa Barbara County Genealogical Society

August 2010

BREAKING NEWS!!

Word is just in that the City Building Department has finished their review of our plans and is ready to issue the building permit, soooooo now is the time to consider this very generous challenge:

!! More Bang For Your Buck — An Exciting Matching Offer !!

Want to double the value of your gift to our wonderful Library Expansion Campaign? YES, you can do it right now—as did most of those listed in the donor list shown below. We have received the generous challenge of a Matching Grant for your gifts up to \$35,000! This means that any contribution you make to the Campaign will be matched by this grant. So, if you give \$100, the Matching Grant will provide an additional \$100 to the Campaign. If you give \$1,000, we'll receive a matching amount of \$1,000 and if you donate \$10,000 — YES, YOU KNOW WHAT WILL HAPPEN! Happy days!!

So when was the last time you got a deal like this? You can make a big difference to our Campaign bank account if you act on this NOW! Just whip out your check-book or credit card and we'll soon reach our Construction Goal twice as fast!

MANY THANKS to the following WONDERFUL DONORS who have made gifts to our Library Expansion Campaign since the July Tree Tips.
