Kristin Ingalls	Kathleen Jacobson
Elaine & Bob Jewell	Kathy Jordan
Zanita Marvin	Louise & Gary Matz

With year-end giving coming up, please still keep our Library Campaign in mind. (Your gifts, of course, are tax deductible, too.)

Our beautiful new library will need the proper dressing! And our great Woodwork- ing Crew of members will very soon begin construction of handsome new bookshelf stacks that will be over twice as long as our current stacks. (For those of you who were not around when we were given our wonderful library property by the Sahyun Family, a crew of our members designed and made all our current handsome book shelves!) We want to have the new book shelves ready to move into the new wing as soon as it is finished. The current book stacks will then be retrofitted and also moved into the new wing. Everything will match beautifully!

We'll be purchasing the materials for this project very soon, and we need your con- tinued help as Library Stack Supporters!

We greatly appreciate your wonderful support for this Campaign and it's because of your generosity that we continue to be known as the best genealogical research library between Los Angeles and San Francisco. We watch with much pride as our new library wing rises from the ground, knowing that we all have a hand in it!

With many thanks,
Jan & Michol
