### Family History Month Open House

**Date: Saturday, October 23 Time: 9:00 AM to 3:00 PM**

Although our library is open every Sunday from 1 - 4 PM, we are designating Saturday, October 23, as our official open house for Family History Month. Won't you join us to get a start on the search for your family? Experienced researchers will be on hand to help — on computers and in the stacks. Bring your laptop - we have Wifi connections.

*Family History Month Open House is free and open to the public. Invite your friends!*

**Scan Your Photos and Documents—For FREE!** Each pre-registered person will have a one-on-one 15 minute slot. Slots are limited, so register early. You must bring a flash drive to take your images home.

**Instructor: Rosa Avolio**

**Saturday, October 9, Noon - 3:00 PM**

### Nuts, Bolts and Some Tools for Beginning Genealogical Research.

Power point discussion to help you hit the ground running. Handouts to help you start your research on your family.

**Instructor: Louise Matz**

**Sunday, October 17, Noon - 2:00 PM**

### A Filing System for the Frustrated.

Reduce your genealogy clutter. Learn how to organize those mounds of papers, books and scraps. And, get some tips for hard drive organization, too. Class size limited to 12.

**Instructor: Merna McClenathen**

**Saturday, October 16, 1:00 PM**

**Beyond 'Quaking Leaves': Get more out of your Ancestry.com subscription.** In this workshop we'll explore some of the unique research features of Ancestry.com that you may be unfamiliar with or would like some guidance. We will also cover side benefits to connecting Quaking Leaves in Ancestry.com's Family Trees. This session is for beginning to intermediate levels of Ancestry.com experience. Attendance is limited to 20.

**Instructor: Mary Hall**

**Saturday, Oct. 9, 10 AM - 12 Noon**

**Family Tree Maker 2010.** Make sense of the latest versions of FTM (2009 & 2010). We will discuss new features, layouts, data insertion, interface with Ancestry (& other Genealogy programs), file saving, & ways to present your data in chart form. The class will be a Power-point presentation.

**Instructor: Jim Friestad**

**Sunday, October 24, 2:00 - 4:00 PM**

**Finding and Fleshing Out Civil War Soldiers.** Learn proven hints and tips on where to find information on veterans of the American Civil War — and how to make their stories come alive.

**Instructor: Sue Ramsey**

**Saturday, Oct. 30, 1:00 - 3:00 PM**

**Reunion 9 Discussion Group.** Learn new tricks and shortcuts from one another about the intricacies of Reunion 9 and MacIntosh computers; bring your laptop, tips, and questions.

**Instructor: Art Sylvester**

**Sunday, Oct. 24, 11:00 - 1:00 PM**

**Genealogy Books Using Ancestry's MyCanvas.** Learn how to upload photos, organize, design, and publish a genealogy book. A computer will be set up for a live demonstration; laptops welcome.
