

# The Campaign for Santa Barbara County Genealogical Society

Santa Barbara, California

September 2009

## Come to the Sahyun!

Much thought has gone into our planning over the last five years, and we did not embark on this campaign lightly. We want all of our members

to see and understand the serious need for our library expansion and renovation, so have you noticed all the activities at our library this year?

We've planned them to be "fun" events, so that you would have a good time, learn something, and see first-hand the plans for our new addition. We hope that you have been among those who attended such events as: Old Fashioned Barn Raising Potluck; Pancake Breakfast; Wines, Vines, and Family Lines (wine talk and tasting); Sleepless at the Sahyun (Friday night pizza and research from 6-10 p.m.); Tea at the Sahyun; Library Re-Genalogists (Adult Ed class taught at our library—see schedule in this Sept. Tree Tips).

Much more is scheduled in October for Family History Month! So, watch for further events and come join

We have had a gratifying response thus far to Phase I of our campaign and are excited to announce that we have now reached over 60% of our Construction Cost Goal of \$920,000!

Therefore, we'd like to acknowledge our generous early-bird donors in the top two gift categories.
